Now the Strategic Allocations of Murton Gap and Killingworth Moor have been agreed by the government inspector we need to engage on a suggested Masterplan for development. The Killingworth Moor Strategic Allocation is identified to deliver about 2,000 homes of which 25% are expected to be affordable housing. In addition there will be approximately 500sqm of retail provision, up to 17 hectares of employment land and a range of open space and other infrastructure provided on site.

If you wish to comment on the emerging Masterplan please use the following comments boxes to set out your views in relation to each general topic area. If your comment relates to a specific Paragraph of Chapter in the Masterplan Guidance please identify the part of the guidance you are referring to in your response.

Thank you
