Now the Strategic Allocations of Murton Gap and Killingworth Moor have been agreed by the government inspector we need to engage on a suggested Masterplan for development. The Murton Gap Strategic Allocation is identified to deliver about 3,000 homes of which 25% are expected to be affordable housing. In addition there will be approximately 1,000sqm of retail provision and a range of open space and other infrastructure provided on site.

If you wish to submit a comment on the emerging Masterplan please use the following comments boxes to set out your views in relation to each general topic area. If your comment relates to a specific Paragraph of Chapter in the Masterplan Guidance please identify the relevant part of the guidance you are referring to in your response.

Thank you
