As part of our “Estate Clean Up” initiative, the campaign invites businesses, schools and resident’s to organise their own clean up events across the borough. - Introduced a litter blitz team to tackling litter hotspots across the borough, the seasonal team have commenced our litter removal programme and this will continue until the end of March.
- The creation of a new neighbourhood delivery team bringing together estate caretakers and local environmental services teams to deliver a more co-ordinated approach to service delivery in estates.
