North Tyneside Council

The Local Authority do not hold the information in the format requested, we do publish information on Residential Social Care which can be accessed via the link below.

Nationally Reported Statistics & Information Local authority revenue expenditure and financing

This links to all documents relating to local authority revenue expenditure and financing. In any given year there should be a record of local government expenditure and finance, sorted by local authority. The information is often referred to as the RA and RO returns. The RA relates to the budgeted expenditure and financing, the RO is the outturn or actual expenditure and financing. The link to the government site where this information is held is below:

<https://www.gov.uk/government/collections/local-authority-revenue-expenditure-and-financing>

From these sheets the local authority data relating to North Tyneside Council can be selected, providing spend information for the authority split by defined expenditure and financing categories.
