I would request that the data is provided in excel format (xls)

Submitted on 30/09/19.

Response:

The request for information is exempt under section 12 (1) as the cost of complying would exceed the appropriate limit set out in the Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulations 2004. There is no report that can be produced or created to identify all of the information requested so the only way it could be gathered would be to manually examine each account opened for any period during the years mentioned, of which 12,669 have been identified, and determining and logging the information requested. Even taking 2 minutes to check and log each account this request would take over 422 hours.
