

Reference: FOI3126

Request:

1. How many playgrounds the council is responsible for maintaining?

The Council Maintains 54 sites

2. How many playgrounds have an outstanding repair needed? This includes equipment, surfaces, access.

There is no live figure for this as it will vary daily. The team visits each site weekly. Minor repairs are completed during the inspection Anything larger or time consuming are included in the response to point 3 below.

3. How many of these repairs have been logged and unresolved for a month or longer?

24 sites have a repair older than one week

4. How many playgrounds the council was responsible for maintaining three years ago?

54 sites
