**Request:**

I would be grateful if you could outline how much your local authority plans to spend, or has budgeted to spend, on services to young people in the financial years 2019/20 and 2020/21 under Section 251 the Apprenticeships, Skills, Children and Learning Act 2009.

The data should be the Total Services for young people, including Universal services for young people & Targeted services for young people.

**Response:**

This data has been submitted to the Department for Education (DfE) and has been published on the North Tyneside Council's website and can be accessed using the link below.

To help reduce the burden on educational and care settings the DfE and its agencies cancelled or paused all but the most essential data collections, services and requests. The Section 251 Budget 20/21 return was cancelled; therefore, we do not hold this information. Confirmation of the return being cancelled for 20/21 can be found via the link below.
