Request:

Could you please provide, for the previous 24 months, the contract mobile phone bills claimed under expenses. Ideally on a monthly basis, but a yearly basis would also be okay.

I would like these amounts listed individually with personnel information omitted obviously. For Example:

Ref monthly cost Boku Payments

**1 23 10
2 45 20
3 65.34 0**

Boku is a payment processor that uses a phone pay as you go credit, or adds to the monthly bill.#

Response

****NTC employees do not use their own mobile telephones for business purposes. NTC issue business mobile telephones to those employees who require use of mobile telephones in line with their job description.****
