and (ii) permanently excluded from school because of their involvement with a weapon of any description in the 2020/21 academic year?

6

2. Please could you provide me with a one line summary of each incident referred to in Question 1 detailing (i) what the weapon was, (ii) if it was used or whether it was brandished, (iii) who the victim was - pupil, teacher or member of the public.

**There were no actual assaults. Words like 'brandished' are subjective and we do not have this data. As there were no actual assaults, there were no 'victims'.**
