Request:

1. How much did the council spend on its Local Welfare Assistance Scheme in the 2017/18 financial year?

£828,741.00

2. If there was an under-spend against budget, what was done with the surplus funds?

There was a small under spend, which was put towards the total Adult Social Care budget.

3. What was the budget for the scheme for 2017/18?

£861,226.00

4. What is the budget for 2018/19?

£906,591 .00

5. How many applications were made to the LWAS in 2017/18?

1645

6. Of those applications, how many applications were successful and how many were rejected? If a breakdown exists by emergency / community element, please provide this. If a breakdown exists for the reasons for rejection, please provide this.

689

7. If you have existing reports or data showing a breakdown of applications by the nature of the need, or by location, please send me a copy.

Not held
