

**Request:**

Please may you provide me with:

1. Amount of funds (in £) spent in the financial year 2021/2022 on employability support services for young people (aged 16-24) with a learning disability and/or autism.

**This information is not held by financial year, it is held by academic year. Therefore, the amount spent in the academic year 2021/2022 was £266,489.05**

2. The names of the top four providers of employability support services for young people (aged 16-24) with a learning disability and/or autism by funding received in the financial year 2021/2022.

**This information is not held by financial year, it is held by academic year. Therefore, the top 4 providers in the academic year 2021/2022 were North Tyneside Council, Health Education England, Tyne Met College and Northumberland College.**
