

Request:

1. The annual spend on Christmas lights per year, for the following years:

Financial data is recorded by financial year. I.e. Christmas 2020 would have been 2020/21 spend, and so on:

- 2020/21: £102,480
- 2021/22: £115,529
- 2022/23: £94,076
- 2023/24: £95,516
- 2024/25: Not yet known

2. The annual spend on Christmas decorations (e.g. trees), for the following years:

- 2020/21: £0
- 2021/22: £14,593
- 2022/23: £43,721
- 2023/24: £19,000
- 2024/25: Not yet known

3. The estimated energy consumption (in kWh) of the Christmas lights, for the following years:

- 2020
- 2021
- 2022
- 2023
- 2024

The annual estimated energy usage has remained static at 6500 Kwh per annum.
