

Reference: FOI-548

Request:

I would like to request:

1. The total number of domestic visits (excluding commercial premises) to address mice and/or rat infestations in the last three years:

	Total number of residential visits (or please state if you do not offer this service)
2020	613
2021	475
2022	338

2. The total amount spent on pest control service visits to address mice and/or rat infestations for domestic properties in the last three years:

Please note: Information is not held at the level required to determine the annual Pest Control budget or costs to address mice and/or rat infestations for domestic properties for the years identified. Pest control services are included within the Environmental Protection service. The annual cost of providing an Environmental Protection service across the Borough which includes Pest Control related activities is as follows:

	Total cost spent (residential only)
2020	£0.258m
2021	£0.249m
2022	£0.282m

3. Please state how much you charge for rodent treatment for a domestic property (or if it is free), for householders that do not qualify for a discount:

A rodent treatment consists of up to 4 visits, private residents are charged £20 per treatment. The service is free for tenants of North Tyneside Council.

The information supplied to you is owned by the council unless otherwise stated and may be protected by copyright.
