

Reference: FOI-774

Request:

Please provide me with the following information:

How much revenue does the council generate from parking fines, and how is this revenue allocated?

Response:

Income received from Parking Fines is refused in answer to this request under section 21 of the Freedom of Information Act 2000, information accessible to the applicant by other means. The reason for this is that this information is published on the North Tyneside website here

Revenue from Parking Fines cannot be split into individual expenditure streams. However, page 15 of the latest annual report explains how the funds for all parking income are spent
