Request:

Can you provide information on any programs or initiatives aimed at promoting active transportation, such as cycling or walking, in the area?

Response:

This information is refused in answer to this request under section 21 of the Freedom of Information Act 2000, information accessible to the applicant by other means.

The reason for this is that North Tyneside Council's Transport Strategy and subsequent documents such as Cycling Strategy and the Zero Emissions Vehicle Strategy is published on the North Tyneside website:

<https://my.northtyneside.gov.uk/category/1237/transport-strategy>

The Authority also produces an annual information report based on the North Tyneside Transport Strategy that covers performance in terms of active travel, road safety etc. The latest annual report can be viewed on the North Tyneside website here:
