Request:

I saw reported in the North Shields New Guardian (November 29th 2018) by Daniel Holland that the Elected Mayor had told a Cabinet meeting of ambitious plan for the future of North Tyneside who included "Lighting Collingwood's Monument and The Priory in Tynemouth".

My question is simply: what is the total estimated cost of these two proposed lighting schemes?

Response:

The Council is currently seeking estimates for the costs of the project. No estimate costs are known currently.
