

North Tyneside Council

Reference: FOI2239

Request:

Please would you let me know in writing if you hold information of the following description:

A list of all providers/organisations and accommodation addresses that the council has referred 10 to 18-year-olds to for Supported Living accommodation over the past five years, namely 2014/15 to 2018/19. Where possible, please provide the total number of young people who were referred to Supported Living accommodation and a breakdown of their ages.

The attached spreadsheet shows the number of young people by age (at placement start date) placed in supported accommodation/supported tenancies with external providers between the years of 2014/15 to 2018/19. NB: Accommodation addresses have been withheld under the Health and Safety exemption as disclosing these addresses could potentially put vulnerable young people at risk.

Please also provide an annual breakdown, from 2014/15 to 2018/19 of money paid by the council to individual providers of Supported Living accommodation.

Please see attached. The figures provided are total payments for the years requested to the suppliers and not just for placements identified
