

North Tyneside Council

Reference: FOI3197

Request:

Under FOI/EIR legislation can your council/authority/partnership please provide me with the following:

1) The total tonnes of recyclate that the council/authority/partnership managed in 2018/19.

****14,639 tonnes****

2) The total tonnes of recyclate that the council/authority/partnership managed in 2019/20.

****15,869 tonnes****

3) The proportion in tonnes, of the 2018/19 recyclate total that the council/authority/partnership managed, which was sent for incineration via either Energy for Waste (EfW) or without Energy for Waste (EfW).

****0 (As part of the contract at the time it was specified that no recyclate would go to EfW or Landfill)****

4) The proportion in tonnes, of the 2019/20 recyclate total that the council/authority/partnership managed, which was sent for incineration via either Energy for Waste (EfW) or without Energy for Waste (EfW). -

****1930.46 tonnes****

If for any reason one of these of the years' (2018/19 or 2019/20) statistics are not available for release, please just provide me with one year's statistics.

For the purposes of this request, Please understand the term 'recyclate' to mean 'household waste material collected at the kerbside for recycling by a local authority' (e.g. household waste put in a recycling bin, but not separately collected food or garden waste).

****Response - Apologies for the delay - NTC changed contractors for disposal of Recycling in October 2019 so the data is held in different places. Data provided above****
