

Request:

FOI request regarding Mental Health and Learning Disability Services

1. For the following services, could you please populate the following table. Should your definitions not directly match those provided, please provide your own definition for the data provided

	Community Learning Disability care homes (non-nurse led)	Community Mental Health care homes (non-nurse led)	Specialist Learning Disability supported living
Total number of current service users (or on a specified date)	56	32	241
Total spend on services for the latest available year	£5,543,229	£2,092,583	£14,103,126
Total number of service users being sent out of area (current or on a specified date)	32	8	6

****We don't have Specialised Care Homes, the data in the table above is based on clients Primary Support Reasons.****

****This does not include CHC or Self Funding clients or clients in dementia care****

2. How many service users do you currently have in secure / transforming care settings, who you would like to move back into the community?

Transforming Care is the responsibility of the NHS whether through NHS England or individual CCG's. The request for information on this cohort of people needs to be requested from the NHS

3. How many service users do you have coming through transition that require community based residential or supported living in the next 12 months (i.e. School Leavers)

The information supplied to you is owned by the council unless otherwise stated and may be protected by copyright. You are free to use it for your own purposes, including any non-commercial research or for the purposes of news reporting. Any other re-use of a commercial nature will require the permission of the Council. Further enquiries in this respect should be directed to Head of Law and Governance, North Tyneside Council, Quadrant The Silver Link North, Cobalt Business Park, North Tyneside, NE27 0BY

There is one young person who fits this criteria and will become 18 in the next 12 months.

4. Have you identified any areas where there is inadequate levels of supply? If so, can you specify which areas?

Forensic community support, specialist autism specific provision

5. What are your commissioning priorities for specialist community provision?

See 4 above

6. Are there any specific areas where you have a lack of specialist community provision? If so, can you please specify

See 4 above
