Reference: FOI3559

Request:

I would like to submit the following FOI

a) By what percentage do you plan to increase council tax by in 2021-22?

The Council element of Council Tax is increasing by 4.99%. (3% for Adult social Care and 1.99% for general expenditure)

b) Providing that you are increasing council tax, much do you estimate the rise will raise in 2021-22?

Although the Tax base has dropped due to increased costs of Council Tax Support, the increase in Council Tax will generate £3.44 million additional funding

I assume in setting the Budget your council will know how much additional funding it will raise

c) if the funding generated via council tax increases has been earmarked for specific services, please list what services they include

60% of the additional revenue raised is ring-fenced for Adult Social Care purposes.
