2. How many adults in receipt of long-term social care, including those who received a personal budget under the Care Act 2014, had their care package reduced in terms of (i) monetary value and (ii) number of hours received, in each of the following financial years:

This would require a manual check of over 3000 records, which would exceed the appropriate limit under the act.

Therefore, this part of the request is refused under s12 (1) Freedom of Information Act 2000, since the cost of complying would exceed the appropriate limit set out in the Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulations 2004.

In assessing the cost of complying, the costs attributable to officer time involved in complying have been taken into account. Such costs are limited to £450.00 under the Regulations, which equates to eighteen hours of officer time.

3. How many social care services funded by the local authority do you operate? Of them, how many have increased their care fee rates, and by what percentage, or cost (in monetary value) in each of the following financial years:
