For questions with numerical answers, please list the total/cumulative number since 2010, not just the amount since this FOI was last carried out. View your council's previous responses: 2019 and 2020 (published in 2021).

1. Does the council have any policies or ones in development to support community led housing? If so, what are they and where do they appear?

There are no specific housing policies specifically relating to this. The North Tyneside Local Plan 2017 includes a range of policies supportive of all forms of housing development within the Borough. Support for a mix of range and type of homes and housing development is set out within Policy DM4.6, which includes support for self-build and reference to community schemes.

2. Since January 2010, how many grants and/or loans has the council given to community led housing groups or organisations?

None.

3. Since January 2010, how many land disposals or leases has the council made to community led housing groups or organisations?

None.

4. Do you have dedicated staff to support community led housing? If so, what are their job titles?

No.
