Request:

Please could you tell me the number of **Individual Service Funds** (ISFs) in place for **adults with a learning disability** (18-64) for the following financial years:

1. April 2014 to March 2015

99 adults, aged 18-64, with learning disability, with a ISF in place.

2. April 2015 to March 2016

103 adults, aged 18-64, with a learning disability with a ISF in place.

For the purpose of this request, an ISF is a personal budget that is paid to a third party service provider (voluntary sector or private sector). If it goes directly to the individual or their family it is not an ISF but a Direct Payment and therefore excluded from this information request.
