Request:

I would like to make a request under the Freedom of Information Act.

Please would you provide me with:

1. A list of buildings that your authority has ordered to be covered in cladding from January 1, 2010 to present.

By 'ordered' I mean cases where a contract was signed by the authority that contained a clause for buildings to be covered in cladding.

For each building, please provide:

- a) the address
- b) the postcode
- c) the type of material used in the cladding, in particular whether it used a polyethylene or polyurethane core
- d) the date on which the contract was signed off

If you think the January 1, 2010 date would breach the cost limit, please use January 1, 2015 instead.

Response:

North Tyneside Council have raised no orders to fully clad any buildings within its housing stock.

There are no high rise blocks in the North Tyneside Council housing stock.
