**Request:**

I would like to request the following information on the sexual health services you commission and provide under FOI legislation:

**1** How have successive cuts to the centrally funded local authority public health grant over the past few years affected sexual health service provision?

The contract value for the Integrated Sexual Health Services has been reduced in 2016/17

**2** By how much (figure and percentage) have you reduced your spend on sexual health services in 2015-16 and/or 2016-17?

2015/16 None

2016/17 £30k (1.4%)

**3** Which sexual health services--to include those targeted at prevention--did you cut or reduce in 2015-16 and in 2016-17?

2015/16 None

2016/17 ceased Psychosexual Counselling service, reduced access for Emergency Hormonal Contraception to women <25 years only, reduced funding to the service for MSM

**4** By how much (figure and percentage) have you reduced your budget for professional training/education in 2015-16 and in 2016-17?

No reduction

**5** Will you be reducing your budget for sexual health services (figure and percentage) and/or cutting or reducing provision in 2017-18?

Yes, expenditure will reduce by a further £101k (4.8%).
