

North Tyneside Council

Reference: RFI 1707014

Request:

I wish to make FOIR for all planning data/documents reports from 1991 to 1996 for the development of land now known as Blucher Rd.

NTC provided the consent and any land contamination designation , with remedial action required etc.

The land was developed by the Tyne and Wear Development corporation under Enterprise zoning. I understand that NTC also had representation on the TWDC.

Response:

Details of the planning applications held by North Tyneside Council are set out on the attached spreadsheet. This information is based on a search of planning applications within the geographical area described in the request.

Copies of the decision notices, as indicated on the attached spreadsheet, are available to view on line via public access via the link below.
