

North Tyneside Council

Reference: RFI 1707076

Request:

I am making a Freedom of Information request on air quality. There was no answer from the Environmental Health to my request on 23rd June – see below.

I'm interested in reading the latest air quality report sent to Defra. The most recent report on the website http://www.northtyneside.gov.uk/browse-display.shtml?p_ID=27049&p_subjectCategory=292 is the 2014 Progress Report.

Please email the 2015, 2016 and 2017 reports. These are all reports that should be freely available in the public domain.

Response:

Please find link on webpage to the 2015 and 2016 reports.

The 2017 report is still in draft form and has yet to be approved. This will be placed on the webpage when it has been approved.
