**Request:**

**High Flatworth Football Pitches.North Shields**

The fence has served its purpose but 7 or 8 Caravans plus towing cars etc found a gap to illegally access the site a few month ago.Is there any plans to "plug that gap"? The pitches would be "wrote off" if the travellers accessed the site when it was waterlogged/heavy.

**Answer**

The gap at the bottom of Flatworth Playing Field was filled in on the 24<sup>th</sup> October 2017 using 2 sleeper posts. This will stop caravans going on to the football pitches and camping
