

Reference: RFI 1711091

Request:

I would like to request answers to the below questions under the Freedom of Information Act 2000. The questions concern the Windows 7 operating system and its 'end of life'.

Q1) How many of your PCs run on the following? (Please type numbers)

- Windows 10 = 1120
- Windows 7 = 1366
- Windows XP = 2
- Other (Please state) = 1

Q2) Are you aware of Window 7's end of life date? (Delete as appropriate)

- Yes

Q3) Do you have an active project to deal with Window 7's end of life? (Delete as appropriate)

- Yes

Q4) If so, is it due to complete before EOL date? (Delete as appropriate)

- Yes

Q5) What is your biggest challenge when it comes to migrating to a new operating system?
(Delete as appropriate)

- Inability to move apps

Q6) If you have previously migrated apps to newer versions of Windows, how long did this take?
(Delete as appropriate)

- Under 1 year

Q7) How many computers do you have in your environment? (Type number or delete as appropriate)

Please state = 2974 (all types of devices not just PCs)
