

North Tyneside Council

Reference: RFI 1801098

Request:

I have just recently heard that the Council is planning to introduce parking charges of £20 per year for residents in streets such as Duke Street etc. where I live. Charges will apply from March, 2018

An additional pass for visitors is also going to be charged at £20 per year.

Please confirm or otherwise whether this is correct.

Response:

Although the Council have proposals to change the current parking permit system, the charges and implementation time suggested in your request are not correct.
