**Request:**

I would like to know how much NTC was paid for filming Vera, I would also like to know what NTC charged for the use of using the beach at Whitley Bay Brierdene car park , North Shields fish Quay Tynemouth.

The Council obtained rental income of £180,364.29, for buildings owned by the Council at the Swans site in Wallsend, which were used by the ITV Vera Production.

And I would also like to know where the money went towards.

The income secured was used to support the activities within the Business & Economic Development Services Areas.
