Request:

- 1) How many rough sleepers have died in your authority in each of the last five years?

This information is not held. We would need to manually check over 1000 care records to identify if a deceased person had been a rough sleeper and this would exceed the time limit allowed by the Act

- 2) How many Safeguarding Adults Reviews has your authority commissioned as a result of the death of a rough sleeper in each of the last five years?

No safeguarding Adult Reviews have been commissioned in the last 5 years
