I'm emailing to request some information under the Freedom of Information Act.

Regarding each cemetery your council manages and/or owns, could you provide the following information

- 1) Do you have any rules or regulations regarding maximum coffin size for burial (width and length) and if so what are they?

To fit into a standard grave the maximum size coffin would be 7.5ft x 3.8ft.

- 2) Do you have any rules or regulations regarding maximum burial plot size (width and length) and if so what are they?

A standard grave size is 8ft x 4ft.

Please note that these figures are the maximum standard for one grave plot. If required adjacent plots could be bought to accommodate larger coffins.
