

**Request:**

- 1) Do North Tyneside Council operate a specific policy to regulate overnight or daytime weekend parking of large commercial vehicles or vans in residential streets. If so - please outline details.

No.

- 2) Where a commercial vehicle is parked in a residential street, on a regular basis, resulting in a loss of visual amenities to neighbouring residential properties, what enforcement action can or will be taken by N.T. Council.

North Tyneside Council does not hold any enforcement powers for the removal of a vehicle.

- 3) Do North Tyneside Council take enforcement measures against users of commercial vehicles which park either partially or fully on footpaths or verges. If so - please outline details.

Only if parking restrictions are in place.
