

Reference: EIR4738

Request:

Please provide the following information,

1. Road restraint systems (vehicle and pedestrian)

i. Please advise the length of road restraint system (vehicle and pedestrian) the Council is responsible for across the County?

****No information held****

ii. Does the County inspect, test and repair the restraint systems in- house or through an external contractor?

****External contractor****

iii. If an external contractor how is this procured? E.g., framework, tender?

****We are in a long term technical partnership with Capita who procure this work through their own processes****

iv. If a framework, please advise the incumbent contractor(s) and expiry date of the framework?

****N/A****

2. Verge Maintenance

i. Please advise the length of highway the Council is responsible for with verge maintenance across the County.

****Approximately 743 miles****

ii. Does the County maintain the verges in- house or through an external contractor?

****In-house seasonal teams undertake the grass cutting operations on highway verges between March & November annually.****

iii. If an external contractor how is this procured? E.g., framework, tender?

****N/A****

Any other re-use of a commercial nature will require the permission of the Council. Further enquiries in this respect should be directed to Head of Law and Governance, North Tyneside Council, Quadrant The Silver Link North, Cobalt Business Park, North Tyneside, NE27 0BY

Reference: EIR4738

iv. If a framework, please advise the incumbent contractor(s) and expiry date of the framework?

****N/A****

3. Highway Boundary Fences

i. Please advise the length of highway boundary fencing the Council is responsible for across the County.

****Information not held - we do not record these assets****

ii. Does the County maintain the highway boundary fencing in- house or through an external contractor?

****External contractor****

iii. If an external contractor how is this procured? E.g., framework, tender?

****We are in a long term technical partnership contract with Capita who will arrange any necessary repairs directly with suppliers rather than through the Council's procurement processes. There is no framework for fencing services so quotations would be sought on a case by case basis****

iv. If a framework, please advise the incumbent contractor(s) and expiry date of the framework?

****N/A****

4. Temporary Traffic management

i. How does the Council procure temporary traffic management for highway works?

****All highways works are undertaken by our delivery partner Capita, utilising, when required, specialist Suppliers and Subcontractors. This can include Temporary Traffic Management requirements.****

ii. Does the County procure temporary traffic management through a traffic management framework?

****We are in a long term technical partnership with Capita who procure this work through their own processes.****

North Tyneside Council
