

North Tyneside Council

Reference: FOI1421

**Request:**

I would like to know the number of exotic pet licences granted by the council for from January 2016 to date.

I would like the information broken down on a monthly basis, if possible, with a brief summary of what the licence was granted for and the area, though the details of the licence would take priority over the location.

**Response:**

From January 2016 to date there has been one licence for one premises in the Chirton ward. The licence is for 2 Dwarf Caiman.
