

North Tyneside Council

Reference: FOI1458

Request:

Please disclose how much your council made from parking overpayments (i.e. parking ticket machines not dispensing change)

Please disclose this information for the 2018/2019 financial year.

If the information is readily accessible, please disclose the location of the parking machines which amassed the biggest single overpayment, as well as the amount, in that time.

Response:

This information is not held as the pay and display machines utilised by the Council only provide a total value of the money taken by the machine between the times that the cash is collected. Therefore it is not possible to determine how much of this money relates to overpayments.

The information supplied to you is owned by the council unless otherwise stated and may be protected by copyright. You are free to use it for your own purposes, including any non-commercial research or for the purposes of news reporting. Any other re-use of a commercial nature will require the permission of the Council. Further enquiries in this respect should be directed to Head of Law and Governance, North Tyneside Council, Quadrant The Silver Link North, Cobalt Business Park, North Tyneside, NE27 0BY
