Reference: FOI1518

**Request:**

Please can you tell me how many clothes recycling banks the council has in its area?

If you have clothes recycling banks, please can you tell me which company/charity operates these banks and whether the company pays any money to the council or another landlord to keep a clothes bank in that space. Please include the monthly rental charge, or relevant charge if it is not monthly.

If the council is not the recipient of the rent, please can you list the companies that receive the money from the clothes recycling bank company/charity.

**Response:**

No information held as North Tyneside Council does not have any clothes banks.

Any clothes banks in the area are owned and operated by the relevant supermarkets etc. who have their own agreements in place.
