

**Request:**

- **The amount spent by your council on support for adults (aged 18-64yrs) with learning disabilities during 2016/2017**  
£24,949,445. This amount is the total spend on long term support. Total spend on all Learning Disabilities services (long term short term and assessment and care management and appropriate share of central costs) is calculated as part of the Revenue Outturn Return to Central Government but this will not be available until 11/7/17
- **The number of adults (aged 18-64yrs) with a learning disability receiving long term support from your council during 2016/2017**  
607 Clients
- **The number of adults (aged 18-64yrs) with a learning disability receiving short term support from your council during 2016/2017**  
262 clients
- **The amount spent by your council on individual care packages for adults (aged 18-64yrs) with a learning disability during 2016/2017**  
This is also £24,949,445 as all long term support is provided via individual care packages
