Request:

I would like to make a number of requests under the Act. I have grouped them together.

I'd be very grateful if you could send me the following:

- How many fines have been issued by the council for dog fouling in the last three years for which figures are available;

2014 – 15 = 41

2015 – 16 = 23

2016 – 17 = 17

- How many complaints, referring to dog fouling, by members of the public have been made in each of the last three years for which figures are available; and
- How many complaints in total have been made by members of the public to the council in each of the last three years for which figures are available; broken down, where relevant, into categories of complaint.
