

Reference: RFI 1707081

**Request:**

Please provide the following data, under FOI:

1) Waste and recycling schedules for all properties, organised by address and postcode. If the information is not kept at the level of individual properties, please provide the list at street level, ideally including the USRN. Please include day of the week and collection frequency (weekly, fortnightly etc) for each service type. I request that all data is provided in CSV format, ideally with separate columns for the different parts of the address. A link to a web service does not meet my requirements, though the source data for a web service may. Please include the UPRN for each property if held. This is now permitted by the AddressBase licence. See <https://www.ordnancesurvey.co.uk/about/news/2015/uprn-release-sharing-location-data.html> for details.

Refuse is collected weekly and recycling collected fortnightly on a 4 day collection Tuesday to Friday

Refuse Collections.csv (<http://vm-otxtfe1.northtyneside.gov.uk/otcs/livelink.exe?func=ll&objaction=overview&objid=5391464>)  
Recycling Collections.csv (<http://vm-otxtfe1.northtyneside.gov.uk/otcs/livelink.exe?func=ll&objaction=overview&objid=5393834>)

2) For collections that are not weekly, details of how to work out which week a collection will be. For example, if a "Week 1/week 2" system is used, then please provide an example of a date in week 1 and a date in week 2. For example "2nd January 2017 was in Recycling Week 1"

Week A is commencing 8<sup>th</sup> August 2017 and Week B commencing 1<sup>st</sup> August 2017.

3) Details of all alterations to regular schedules for bank holidays etc. Please provide this for all future dates in 2017 and 2018, if available. For example, see this spreadsheet: [https://docs.google.com/spreadsheets/d/16F8UQvcQlvOjCje\\_mA9vs5xHv6wRmjTk8drZTg0wJmg/edit?usp=sharing](https://docs.google.com/spreadsheets/d/16F8UQvcQlvOjCje_mA9vs5xHv6wRmjTk8drZTg0wJmg/edit?usp=sharing)

**Refuse Collection**

<b>No collection</b>		<b>Revised Collection</b>
