

## Item 6

<b>Meeting</b>	<b>Environment Sub-Committee</b>
<b>Date</b>	<b>7 March 2018</b>
<b>Title</b>	<b>North Tyneside Surface Water and Drainage Partnership – Progress Update</b>
<b>Author</b>	<b>Mark Newlands</b>
<b>Service</b>	<b>Environment, Housing &amp; Leisure</b>
<b>Wards Affected</b>	<b>All</b>

### **1. Purpose of Report**

This report contains the progress update from the North Tyneside Surface Water and Drainage Partnership (“the Partnership”) which is due to go to Cabinet on 9 April 2018.

### **2. Recommendations**

The Sub-Committee is asked to note the progress update and the latest position on the work of the Partnership and if appropriate forward comments/suggestions to the Cabinet.

### **3. Details**

The attached draft Cabinet report provides a progress update from the Partnership following its latest meeting on 19 September 2017. It sets out progress against the following areas

- the Flood Risk Implementation Plan
- the Flood Season Plan for North Tyneside
- community preparedness and resilience

### **4. Appendices**

Appendix A contains the draft Cabinet report.

### **5. Background Information**
