**4. Executive summary** (To be taken from written report)

<p>The purpose of this report is to seek approval for the Authority to provide a loan of up to £250,000 for the 2018/19 financial year to Aurora Properties (Sale) Limited to fund the running costs of the company which is delivering homes for commercial sale, the sites being developed are the Avenue, Wallington Court and Northumberland Square. A small proportion of this loan (up to £7,000 each) may be provided to the holding company, North Tyneside Trading Company Limited and Aurora Properties (Rental) Limited, in order to fund running costs associated with the companies. This is in line with the Cabinet approval of 14 November 2016 which provided delegated authority to the Head of Finance to make available, by way of a combination of debt and equity funding, to the Commercial Sale Company and Commercial Rental Company, such funding as is required to support each Company's business plan, in so far that there are no additional financial implications for the Authority which cannot be contained within existing budgets, on such appropriate terms as approved by the Head of Law and Governance.</p>
