

## Evaluation Report – Contract 21 – Planned Electrical Works 2025–2027 OPEN202581

The following Tender responses have been received in the electronic Tendering Portal (the OPEN Portal) and verified by Legal and Democratic Services as Compliant Framework Tenders. After the Procurement initial compliance checking which included mandatory pass/fail questions, the two technical quality evaluations were completed which consisted of:

a weighted Case Study (Section 6), based on previous experience, where bidders had to reach a 60% threshold to achieve a PASS and continue to the weighted (Quality Questions Section ). The second evaluation was carried out for the Quality Questions with a weighting of 35%

The Pricing, which had a weighting of 65%, was then checked for abnormalities and added to the evaluation matrix to identify the preferred bidder(s).

The final compliance checks were completed on the preferred bidders by the relevant Authority departments which included Financial and H&S and the Tenderer(s) have passed and now been identified as final preferred bidder(s) as detailed below
