## Frameworks 2024

The following Tenders have been received in the NEPO Portal and verified by Legal and Democratic Services as Compliant Framework Tenders. After the initial compliance checking which included pass/fail questions, the weighted element of the evaluations were completed which consisted of a **Case Study where Tenderers had to reach a 50% threshold to continue to the Quality Questions**. The Pricing was then checked for abnormalities and included in the evaluation matrix to identify the preferred Tenderers (bidders). The final checks were carried out with the preferred Financial and H&S and all have completed and passed.
