

## North Tyneside Council Building Control

### Building Regulation Charges – Guidance Note 1 New Build Housing

With effect from 2<sup>nd</sup> April 2025

#### Charges are payable for the following functions:

- (a) the passing or rejection of plans of proposed building work which have been deposited with the Authority in accordance with section 16 of the Building Act 1984 (as amended)
- (b) the inspection of building work for which plans have been deposited with the Authority in accordance with the Building Regulations 2010 and with section 16 of the Building Act 1984 (as amended)
- (c) the consideration of a Building Notice, which has been given to the Authority in accordance with the Building Regulations 2010
- (d) the consideration of building work reverting to the Authority under the Building (Approved Inspectors etc.) Regulations 2010
- (e) the consideration of a regularisation application submitted to the Authority under regulation 18 of the Building Regulations 2010
- (f) Chargeable advice – payable on demand after the Authority have given notice in writing.

#### Payment of Charges:

**Charges in respect of (a) to (d) above are required to be paid by the person by whom or on whose behalf the work is to be carried out; a charge in respect of (e) is required to be paid by the owner of the work or building. In relation to (f) the charge is payable by any person requesting advice for which a charge may be made.**

- **Full Plans** – The plan charge is a deposit fee payable on submission of a Full Plans application to the Authority. The inspection charge is the balance payment for the cost of the service, required to be paid on demand, after the first inspection has been carried out, following commencement of works. The invoice for this charge will be sent to the Applicant on the application form submitted, unless requested otherwise.
- **Building Notice** – The charge must be paid on submission of the application to the Authority.
- **Regularisation Charge** – The charge must be paid when the application is submitted to the Authority.

- **Reversion Charge** - The charge must be paid on submission of the application to the Authority.

All fees are subject to VAT (except the Regularisation charge).

#### **How to pay:**

After we receive your application, we will calculate/check the relevant building regulation application charge for your proposals and then email you with a link to make a credit or debit card payment online. Please note that until such time as the relevant payment has been made, your application will not be treated as valid.

#### **Scale of Charges:**

This information sheet is for guidance only. All charges specified are derived from the current Scheme of Charges prepared by the Authority to which reference may be made if clarification is required, as it contains full details of the scheme and the provisions of The Building (Local Authority Charges) Regulations 2010.

There are two methods used by the Authority to establish the Building Regulation Charge:

- Standard Charge – see table below. The standard charges have been set by the Authority on the basis that the building work does not consist of, or include, innovative or high-risk construction techniques and/or the duration of the building work from commencement to completion does not exceed 12 months. **The charges have also been set on the basis that the design and building work is undertaken by a person or company that is competent to carry out the design and building work referred to in the standard charge tables. If not, the work may incur supplementary charges.**
- Individually Determined Charge – including dwellings with floor areas greater than 300m<sup>2</sup>, and more than 20 dwellings.

**If your Building Regulation application requires an individually determined charge – please contact [building.control@northtyneside.gov.uk](mailto:building.control@northtyneside.gov.uk) with the location, a full description of the proposed building work & any proposed drawings available.**

#### **Other charges/refunds:**

- If the basis on which the charge has been determined changes, the Local Authority may refund or request a supplementary charge. The Authority will provide a written statement setting out the basis and method of calculation for the refund/supplementary charge.
- To resolve outstanding matters and/or issue a Completion Certificate where the work has been completed or occupied for more than 3 years from the date of the last inspection an additional charge shall be payable if the local authority obliges a request from the applicant to reopen the case. The current additional charge is £155 + VAT.

## North Tyneside Council

- Replacement Completion Certificates – where a Completion Certificate has previously been issued and a request is made for a replacement, a charge shall be payable if the local authority obliges a request from the applicant. The current charge for a replacement Completion Certificate is £50 + VAT.
- Refunds – A fee of £60 + VAT will be charged for the withdrawal of a Building Regulation application prior to a plan assessment being carried out and/or site inspection being made. Any part refund on a Building Regulation application withdrawn after the local authority have begun the plan assessment and/or site visit(s) undertaken, will be at the discretion of the Council and on an individually determined basis.

### NEW BUILD HOUSING
