|                                                                          | Licence (if Granted) |             |             | £106        |
|                                                                          | <b>Total</b>         |             |             | <b>£256</b> |

\*plus vet fees as required

|                                                                                                                                                                                         |                                 |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------|
| Arranging Provision of Home Boarding for Dogs and or Dog Day Care with Hosts (Arranger not providing Home Boarding or Day Care themselves) <b>payable prior to licence being issued</b> | £90                             |
| Fee per non licensable host                                                                                                                                                             | £106                            |
| Variation of Licence – no inspection required                                                                                                                                           | £47                             |
| Variation of Licence – inspection required                                                                                                                                              | £150 plus vets fees as required |

If Arranger is providing Home Boarding or Day Care themselves they will need to apply for a Home Boarding and or Day Care licence separately from their Home Authority

A Vet inspection may be required for all new applications and renewals, for any inspection during the term of the licence where a vet inspection is deemed necessary and every 12 months for a Hiring out Horses licence. The fee will be recharged to the applicant and must be paid before the licence is issued.
