

Want to be involved in improving Rising Sun Country Park?

Friends of Rising Sun Country Park work with the Council's Park team to help create a better open space. Through this partnership, park users get a greater say in what goes on in their local parks.

Friends can get involved in:

- Promoting the park and providing feedback to park staff
- Helping with anything from planting bulbs and conservation tasks to litter picking and tidy up days
- Fundraising: accessing grants and lottery monies for the benefit of the park
- Designing information boards and leaflets about the park
- Contributing to the production of parks management plans and being involved in consultation about future improvements to their park

We hold regular meetings on the second Friday of each month at the Visitor Centre.

Find us on Facebook: Friends of Rising Sun Country Park or see the visitor centre noticeboard for more information
