Levels of Adaptation and Adjustment

This is a continuum; young people can move in both directions depending on the impact of provision & intervention

Exceptional Support- in excess of Support & advice can be sought at £6,000 EHCPs are legally any point but **should** be acted enforceable and there to support upon & reviewed prior to requests Opportunity to request those children and for statutory assessment EHC young people with interim funding the highest levels of Referral? Increased levels of Support support up to above and £6,000 You should ensure beyond the the local offer is Local Offer fully exploited with the support of the SEND Assess, Plan, Notional budget of Specific up to £6,000 per Do, Review longer term pupil, per annum. intervention/ Consider move to high level SEND register ime-limited support support Some additional Assess, Plan, Do, Review Specific intervention Low level support-time Vast majority pupils limited Assess, Plan, Do, Review **Effective** No Specific Additional Support beyond the universal over and the best Inclusive endeavours of the school Classroom School Systems for Checking **Inclusive Quality** First Teaching At all stages you should consider the needs of the young person and their family-

would an Early Help Assessment be of benefit?
