Supplementary Statement to North Tyneside Pharmaceutical Needs Assessment (PNA) 2018

This supplementary statement has been prepared and issued by the North Tyneside Health and Wellbeing Board, in accordance with the requirements set out under the National Health Service England (pharmaceutical Services and Local Pharmaceutical Services) Regulations 2013 (S1 2013 No. 349) and amended in 2014, 2015 and 2016 (“the Regulations”).

The statement has been issued in accordance with Part 2: 6 (3) of the Regulations and updates the PNA published by the North Tyneside Health and Wellbeing Board in March 2018.

The Regulations state that Supplementary Statements can provide updates to the PNA only in relation to changes in the availability of pharmaceutical services. Supplementary statements cannot provide updates on pharmaceutical need: this can only be achieved through a review of the PNA. The following pharmaceutical services continued within the PNA have been identified as needing updating. This updated information supersedes some of the original information within the current PNA and should be read in conjunction with the full document.
